GUARDIAN STONE CARE & RESTORATION

Volunteer Release and Safety Acknowledgment

I, [name], am volunteering at [cemetery] on [date], organized by [organization] with [Contractor] supervising.

- I understand that cemetery work involves uneven ground, heavy stones, insects, ticks, plants such as poison ivy, weather, and cleaning products.
- I will follow the supervisor's instructions, work only on stones I am assigned, and will not lift, move or reset any stone.
- I will use the gloves and eye protection provided and tell the supervisor about any injury or damage immediately.
- I am physically able to take part and will stop if I feel unwell.
- [Release language as advised by an attorney in your state.]
- I consent / do not consent to photographs of me being used by the organization.
